## WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the thirteenth day of March next, at ten A.M., to act upon the following subjects.

**Article 1.** To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

**Article 2.** To cast your ballots for the election of such officers as may be required, by law, to serve the Contoocook Valley School District for the ensuing year.

THE POLLS SHALL OPEN AT TEN A.M., AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Municipal Building in said Temple, on Friday, the sixteenth day of March next, at eight o'clock in the evening, to act upon the following subject:

**Article 3.** To see if the Town will vote to raise and appropriate the sum of \$258,000.00 for the construction and original equipping of the new addition to the Mansfield Public Library and for renovations to the existing Mansfield Public Library; to authorize the Selectmen to apply for, contract for, accept and expend grants of Federal, State or private aid, and donations as each may be available for the new construction, equipping and renovation of the Mansfield Public Library and the addition; to authorize the issuance of not more than \$258,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (NH RSA Chapter 33); to authorize the Town Officials to borrow funds in anticipation of receipts of bond proceeds in accordance with the provisions of the Municipal Finance Act (NH RSA Chapter 33). 2/3 ballot vote required).

**Article 4.** To see what sum of money the Town will vote to raise and appropriate for Town charges and other necessary maintenance and operating expenditures.

**Article 5.** To hear the reports of agents, auditors and committees or officers heretofore chosen, and to pass any vote relating thereto.

**Article 6.** To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to purchase a chipper for the highway department.

**Article 7.** To see if the Town will vote to establish a capital reserve fund under the provisions of NH RSA 35:1, for heavy highway equipment and to raise and appropriate the sum of \$7,200.00 to be placed in this fund.

**Article 8.** To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for a tractor riding lawnmower for the cemeteries and town common.

**Article 9.** To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to complete the identification and signing of streets within the Town of Temple.

**Article 10.** To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to resurface the Town tennis courts and basketball courts.

- Article 11.** To see what sum of money the Town will vote to raise and appropriate for the erection of suitable markers for the General Miller Cemetery and East Cemetery, or take any other action relative thereto.
- Article 12.** To see if the Town of Temple will vote to raise and appropriate the sum of \$5,384.00 for the purchase of a horizontal baler, waste oil furnace, furnace ducting, and thermal insulating strips for the Wilton Recycling Center; to authorize the Board of selectmen to apply for, accept, and expend grants from the Governor Recycling Grants Program in the amount of \$2,692.00 for the purchase of the above-mentioned equipment with the balance of \$2,692.00 to be raised by general taxation. This appropriation is contingent upon receipt of State funds by Temple and the receipt of State funds and the matching appropriation by the other municipalities participating in the Wilton Recycling Center. The total sum of purchase, including Temple's share will be \$47,635.00.
- Article 13.** To see if the Town will vote to raise and appropriate the sum of \$100.00 for the support of the Grand Monadnock Arts Council.
- Article 14.** To see if the Town will vote to continue the library study committee, and what sum of money for the Town to vote to raise and appropriate for the library study committee.
- Article 15.** To see if the Town will vote to authorize the planning board to draft and adopt site plan review regulations and to review and approve or disapprove site plans for the development or change or expansion of use of tracts for non-residential uses or for multi-family dwelling units, which are defined as any structures containing more than two dwelling units, whether or not said such development includes a subdivision or resubdivision of the site under NH RSA 674:43.
- Article 16.** To see if the Town will vote to accept legacies and gifts to the Town trust or otherwise by any individual(s) or take any other action thereto.
- Article 17.** To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow in anticipation of collection of Town Taxes for the current fiscal year and to issue in the name and on the credit of the Town negotiable notes therefor.
- Article 18.** To see if the Town will vote to authorize the Board of Selectmen pursuant to RSA 31:95-b to apply for, accept, and expend without further action by the Town Meeting, money from the State, Federal or other Governmental unit or private source which becomes available during the fiscal year provided (1) such funds shall be used only for legal purposes for which the Town may appropriate money, (2) the Selectmen hold a public hearing on the action to be taken (3) the action shall not require the expenditure of other Town funds.
- Article 19.** To see if the Town will vote to adopt the provisions of RSA 72:1-c which authorizes any Town or city to elect not to access, levy and collect a resident tax. (By petition)
- Article 20.** To see if the Town will vote to appoint a zoning and ordinance code enforcement board. Said board to once a year drive the roads of the Town to note zoning ordinance infractions which are visible/apparent

from the public way. The Board composition to be as follows: one Selectman, the Town Health Officer, one member of the Planning Board, one member of the Conservation Commission, two members of the general public, the Town code enforcement/building inspector, one member of the fire department, and the Town Road agent. Infractions thus noted will be given to the Selectmen for action. (By petition)

**Article 21.** To see if the Town will vote to instruct the Selectmen to study the following educational tax credit proposal and report on its findings to the 1991 Town meeting; beginning September 1, 1991 any owner of real estate in Temple, New Hampshire who pays for any Temple student-resident all or any part of the actual grade 1-12 educational expenses of any public or non-public school which legally fulfills the State of New Hampshire compulsory attendance law shall be eligible, pursuant to RSA 76:16 to receive an abatement of real estate taxes from the Town of Temple a reasonable amount to be determined by the Selectmen. (By petition)

**Article 21.** To transact any other business that may legally come before this meeting.

Given under our hands and seal the 26th day of February in the year of our Lord, Nineteen Hundred and Ninety.

*Albert A. Quinn, Chairman*  
*Christopher A. Weston, Selectman*  
*Silas Little, Selectman*

**A True copy of the Warrant-Attest:**

*Silas Little, Selectman*

**TOWN OF TEMPLE, NH**  
**Selectmen's Report**  
**1989**

This past year has been very quiet as far as subdivisions and new homes being built. The gravel pits and development of the area have also slowed down with the economy. This does not mean that the Town as a whole can cease to grow. We need to pull together as a community and as neighbors and look to the future.

This means we need to fund our schools, our streets, our libraries and our services. Bear in mind that a "community" will always be a "small town" no matter what the population.

*Board of Selectmen*

# TOWN OF TEMPLE

**Auditors' Report**  
**1989**

We have examined the accounts and records of the Selectmen, Treasurer, Town Clerk, Tax Collector, Treasurer of the Library, and Trustees of the Trust Funds. Per our audit, they appear to be properly vouched for and substantially correct except as noted below. A letter outlining specific suggestions for improving bookkeeping procedures has been submitted to the Selectmen.

1. Proper procedures were not followed by the Town Officers when preparing the 1989 Tax Warrant. These allowed an error of approximately two cents on the tax rate to go undetected resulting in a shortfall to the town of \$1672.60.
2. Better procedures need to be followed in order to maintain an accurate Resident Tax list.
3. This report is written prior to the expiration date for replies to the uncollected tax confirmation letters.

Respectfully submitted,  
*Clyde Kessel, Debra Canavan, Steven McGettigan*  
 Auditors, Town of Temple

## HOME HEALTH CARE AND COMMUNITY SERVICES, INC.

### Report to the Town of Temple

In 1989, Home Health Care and Community Services continued to provide home care and community services to the residents of Temple. The following information represents a projection of Home Health Care and Community Services' activities in your community for 1989. The projection is based on actual services provided from January through September 1989 and an estimate of usage during October, November and December.

Services Offered	Services Provided	Services Supported Partially or Totally By the Town
Nursing	16 Visits	0 Visits
Child Health Nursing	0 Visits	0 Visits
Physical Therapy	6 Visits	0 Visits
Speech Pathology	0 Visits	0 Visits
Occupational Therapy	0 Visits	0 Visits
Homemaker	281 Hours	281 Hours
Home Health Aide	0 Visits	0 Visits
Medical Social Worker	0 Visits	0 Visits
Nutritionist	0 Visits	0 Visits
Office Visits	0 Visits	0 Visits

### Total unduplicated residents served: 7

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

### Financial Report

The actual cost of services provided in 1989 with all funding sources is projected to be \$6,243.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

In 1989, we recommend an appropriation of \$1,750.00 to continue home care services at the current level.

Thank you for your consideration.

**THE CONSERVATION COMMISSION**  
**1989**

Budget Request for 1990

General funding \$300.00

We reviewed several pond sites this past season for people who were planning on building ponds.

We are generally in favor of people building ponds as it is good for the water table and also encourages wild life.

Some of us made an on site inspection of the North Western end of the Todd Road where logs had been skidded.

With the coopertion of the logging company the road was restored to as good or better condition that it was in previous to the logging operation. This was done at no expense to the town.

We are willing to work with other boards and commissions or individuals with worthwhile concern affecting our environment.

We meet the first Monday of the month at 5:00 at the municipal building. The Earth is a good place to spend a lifetime. Let us try and keep it that way.

Sincerely,

The Conservation Commission members:

*Albert Gove, Julie Harling, Timothy Fiske, Warren Quinn, Chairman*  
*Ann Colburn, Secretary*

**REPORT OF THE PLANNING BOARD**

The Planning Board reviewed and approved 5 subdivision applications in 1989 with a total of 10 new lots created. There were 3 minor lot line changes approved and one subdivision from 1978 was verified.

The Fire Department's request for new subdivision requirements regarding cisterns and/or other sources of water supply; the Road Agents proposals for divisions; and new methods of enforcing existing town regulations were major topics of discussion throughout the year.

Three TPB members attended the law lecture series in October relating to substantial revision of RSA 155-E (Sand & Gravel Pit regulations) by the state legislature in 1989.

Respectfully submitted,  
*George Willard, Chairman*

## TEMPLE VOLUNTEER FIRE DEPARTMENT 1989

The Temple Volunteer Fire Department responded to a total of 43 calls in 1989. The breakdown is as follows:

- 11 Motor Vehicle Accidents
- 7 Structure Fires - Mutual Aid
- 5 Chimney Fires
- 4 Smoke Investigations
- 3 Standby Cover Truck Calls - Mutual Aid
- 3 False Alarms
- 2 Brush Fires
- 2 Electrical Fires
- 2 Car Fires
- 1 Structure Fire - Temple
- 1 House Struck by Lightning
- 1 Emergency Search
- 1 Disabled Motor Vehicle

We now have 24 firefighters and 9 are NH State certified. Our membership roster has remained relatively the same since 1988 and our shortage of day volunteers persists. Temple was assisted 7 times by mutual aid from other towns this year.

651 man-hours were spent in training in 1989. 204 of these hours were formal training classes conducted at recognized fire schools. Additionally, four of our firefighters are attending the 88 hour NH Certified Firefighter Course in Greenville.

Along with the drills conducted this year, the Fire Dept. sponsored a special course, open to the public, in CPR (Cardio Pulmonary Resuscitation). This is an emergency procedure designed to assist someone whose breathing and heart may have stopped. Ten firefighters completed this training.

Also, a new program for physical fitness was established. Firefighting requires strength and endurance. The program specifies exercises to be performed at regular intervals and was established to state and national standards. Beginning in mid-1990, regular testing of physical ability will be administered to certify fire dept. personnel. Firefighter injuries should be reduced as a result of this program.

In addition to the 312 hours of scheduled maintenance, volunteers spent many hours restoring the condition of the equipment and trucks. As a result of their contribution, there were no serious breakdowns in 1989 and all apparatus remained in reliable condition.

The Fire Dept. continued to pursue an aggressive fire prevention program. We distributed brochures and visited the schools to teach the children about fire safety. Fire drills were also conducted.

On April 30th, the Fire Dept. finished installation of an automatic fire alarm in the Temple Library. The installed system uses components identical to those used in the Town Hall and Municipal Building. This alarm system starts in the Library. They, in turn, would call the fire dept. out to respond. The time saved by immediate notification could make a great difference in reducing possible damage to the building and its contents. Volunteers again donated their time and efforts to accomplish the task. Funds for the alarm system were appropriated at town meeting last year. The cost was less than \$500.00.

During this year, the Temple Vol. Fire Dept. continued to address the issues produced by the NFPA 1500 Safety Standard. This standard, adopted by the state of New Hampshire, specifies what procedures, practices, and equipment all fire departments should adhere to in order to protect their most valuable asset - their firefighters. The steps taken this year include:

- Creation of S.O.P. (Standard Operating Procedures) which specify the guidelines to be used during emergency and routine operations.
- Establishment of the above-mentioned Physical Fitness Program.
- Procurement of equipment and products which are NFPA1500 approved.

- Five committees, within the fire department, continue to study various segments of the code and periodically report to the membership.

Continued implementation of this standard is important even though it will mean changes in our budget. The Town's liability is great if a firefighter is hurt as a result of neglecting it. Our budget item for Fire Supplies has been increased this year to start to replace obsolete turnout gear. This gear is the clothing worn by firefighters for fire suppression activities. Instead of asking for a warrant article to exchange all of the gear for the entire department, we feel it is more reasonable to replace 3 sets per year until the goal is accomplished.

Some of our other major projects this year were:

- Installed a 4500 psi cascade system in the rescue truck. This system is utilized to refill air cylinders used for breathing air at fires.
- Cooperated in a joint effort with Greenville, Lyndeborough, and New Ipswich to install a Mutual Aid Compressor System in the Temple Fire Station. This unit has the capability to refill cascade systems like the one in our rescue truck. Until now, trucks would travel as far away as Nashua to refill.
- Added a reciprocating saw to our rescue truck and replaced the pike pole on Engine 1.
- Installed the Superior Flame Fighter "spear" nozzle on Engine 1. This nozzle will increase our capability to control attic and confined space fires.
- Dedicated a plaque on the fire station wall honoring C.W. Daniels in compliance with Article II of the May 1987 Town Meeting.
- Developed a plan to continue publication of the Temple Newsletter along with the Fire Dept. Auxillary.
- Established a Firefighter Cadet Program.

During 1990, several changes are in store for the Fire Department. The Souhegan Mutual Fire Aid Association has voted to change tactical callsigns for all fire departments within Hillsborough County. This will mean charges for lettering the trucks along with clerical, pre-plan, and training changes. Also, Base 500 (Monadnock Communications - our dispatch center), has required us to budget a fax machine for the fire station. They propose to use it for truck dispatching and providing directions/preplan information. Additionally, it may be used by our highway department for weather information bulletins.

We have also increased the Miscellaneous budget category by \$500.00 to correct water supply problems. Many areas in town are suffering from inadequate water supplies or unmaintained fire bonds. This is potentially a very dangerous situation. To correct this, the Fire Dept. will continue to work with the Selectmen, Planning Board, and Highway Department. One deficient area will be corrected per year. Dry Hydrants will be installed or fire ponds created. The Highway Dept., will perform the labor required using town equipment and the monies appropriated will be used to cover the cost of the hydrant and piping.

In an effort to save the town money, the Temple Vol. Fire. Dept., conducted 6 fundraisers this year. Monies raised were used to install a kitchen area in the fire station, add a storage room onto the rear of the Municipal Building, and provide firefighters with a Christmas dinner.

There were 50 building inspections conducted in 1989 at no cost to the town. We received many generous donations throughout the year and are very grateful to everyone for supporting us.

For any fire emergency, do not hesitate to call us. Our number is 878-1611.

Respectfully submitted

*Ed Holz, Fire Chief*

## **SOUHEGAN VALLEY AMBULANCE SERVICE, INC.**

### **Annual Report to Towns - 1989**

The Souhegan Valley Ambulance Service, Inc. continues to provide efficient, professional quality service to the communities of Greenville, Mason, New Ipswich and Temple. This service is only possible due to our dedicated well-trained Driver/Attendants; all of whom are volunteers. Many of these volunteers are now nationally registered Emergency Medical Technicians-Ambulance, and have also undergone advanced training to become EMT-Intermediates (which includes the administering of IV's and Advance Life Support Techniques).

In order to provide continuous service, at least three attendants are scheduled to be on call every night from 6:00 P.M. to 6:00 A.M.. Each attendant is scheduled approximately seven times a month, as well as answering calls during the day whenever possible. Daytime continues to be a very difficult period to cover, so there is a great need for volunteers who are able to spare some of their daytime for the service. Any resident of Greenville, Mason, New Ipswich, or Temple who is interested in joining the service is encouraged to contact any Driver/Attendant or member of the Board of Directors.

In 1989, we focused on our goal of acquiring land and making plans to erect a building to house our ambulances, conduct our training classes, and hold meetings necessary to operate the service. A Building committee has been formed and several pieces of land have been offered to us. We hope by the end of the year (1989) to have selected and acquired the most appropriate parcel for our needs. In 1990, our focus will then shift to erecting a building. We hope to achieve all of this entirely through donations.

The Souhegan Valley Ambulance Service, Inc. continues to operate at no cost to the individual requiring emergency service. In our continuing effort to improve our service, our average response time (alert to scene) has dropped from 15 minutes to 10 minutes.

Our 1990 budget reflects a modest increase of less than three percent. We have had to work diligently at controlling other budget items to keep this increase as low as possible.

From the Office of State Planning, the total population in our service area has increased from 7,176 in 1988 to 7,608 in 1989. The projected annual per capita cost for 1990 is \$4.70, a decrease from last year.

We thank all of you again for your generous donations, which have enabled us to keep up with our equipment needs, and allowed us to continue to provide low cost, high quality emergency health care for the region.

Respectfully submitted,  
*The Board of Directors*

## **TEMPLE RECREATION COMMISSION**

All of our usual activities were carried out fairly successfully in 1989. We are accepting the resignation of Barbara LeBouf from the commission. She has been a valuable asset and shall be missed. We have two openings and anyone wishing to be on the commission should contact the selectmen.

Our big project for 1990 is to have the tennis court and basketball court resealed and repaired. This project will cost approximately \$6,000.00. There is a warrant article to cover this. It has been a number of years since this maintenance has been done and it is very necessary.

Respectfully submitted,  
*Joe Cournoyer, Chairman*

## FOREST FIRE WARDEN REPORT

Forest Fires and problems concerning burning were lower than in 1988. As the town population increases we'll have to become stricter and more conscientious about open burning. Don't forget that 1990 incinerator permits must be obtained. If you wish to obtain a permit contact Warden Joe Cournoyer at 878-1479 or Deputy Warden Ed Holz at 878-3530.

Respectfully submitted,

*Joe Cournoyer*

Temple Forest Fire Warden

## REPORT OF TOWN FOREST FIRE WARDEN AND

### STATE FOREST RANGER

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without written permission of a Forest Fire Warden, children and debris burning fires that escaped control. All of these causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. By New Hampshire State law (RSA 224:27), no person, firm or corporation shall kindle or cause to be kindled any fire, except when the ground is covered with snow, **without first obtaining a written permit from the Forest Fire Warden of the town where the burning is to be done.**

In order to eliminate false alarms, it is advisable to notify your local fire department whenever you intend to do any outdoor burning.

Violations of RSA 224:27 are a misdemeanor and you are also liable for paying all fire suppression costs (RSA 224:28 and RSA 224:36).

The State of New Hampshire, Division of Forests and Lands assisted many towns in land fire suppression during 1989 including several large fires in the Concord and Chesterfield areas, as well as the 100 acre fire on Mt. Belknap in Gilford, New Hampshire.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden or the Division of Forests and Lands at 271-2217.

### Forest Fire Statistics - 1989

Number of Fires Statewide	550
Acres Burned Statewide	553.75
Cost of Suppression	\$93,957.00

## REPORT OF THE TEMPLE POLICE DEPARTMENT 1989

Nineteen eighty-nine has been a busy year. It has also been a year of progress and change. We now have space in the municipal building for a temporary police station. We are on the second floor, which does not comply with all the governmental regulations, but certainly is better than what we have had. For the past twenty-four years, the police department has operated from my office at my home and has had the use of my office equipment, all at no expense to the town. Progress is supposed to continue as the Selectmen have agreed to put an article in the town meeting warrant for money for an addition to the municipal building for a ground level police facility.

During the year, we have answered and investigated 2036 calls, Ninety-two of these were animal complaints, most of which were dog calls. Many of these dogs have not been licensed as they did not have current tags. Dogs have to be licensed every year and have a rabies shot every three years. The Town Clerk does the licensing and the law says April is the month to do it. If you fail to do so, you are subject to a fine of \$1.00 a month.

Our budget for 1990 shows a substantial increase which is caused in part by mandates from the New Hampshire Police Standards and Training Council. Each officer is required to have several hours of class room training to keep updated on laws, rules and regulations. This we are doing on a monthly basis. Every officer has to be certified once a year on firing the weapon one carries on duty. Each officer also has to be certified to use the radar and on the use of a PR 24 baton or night stick. The cost of operating and maintaining the police cruiser is rising. The car is eight years old - but it is doing the job and costing less than a new one. We now have two men attending part time officers training school, Peter Clegg and David Elder.

On the seventh of June 1990, I will have completed twenty-five years of serving the Town of Temple as Chief of Police. I have been a member of the police department since its inception 32 years ago. I am planning on retiring at some time after June, depending on what proves to be the best for the department, the Board of Selectmen and myself. I am making every effort to have the transition from one chief to another go smoothly and not to be an expensive "bug-a-boo" affair as it has been in some other towns. To this end I will appreciate everyone's help and cooperation.

Respectfully submitted

*Russell Tyler, Jr.*

Chief of Police

# POLICE DEPARTMENT

## Budget

1990

	1989	1990
CHIEF salary	\$21,000.00	\$25,000.00
PART TIME salary	7,000.00	7,500.00
CRUISER fuel & maint. & repair	1,600.00	2,000.00
OTHER MILEAGE	200.00	400.00
CLOTHING & related uniform items	700.00	1,850.00
OFFICERS SAFETY EQUIPMENT	1,000.00	900.00
OFFICER TRAINING mandatory update		2,400.00
OFFICER TRAINING mandatory new personnel		1,500.00
SECRETARIAL SERVICES		1,200.00
OFFICE & PROCESSING EQUIPMENT		2,000.00
TELEPHONE	750.00	1,000.00
PHOTOGRAPHIC & MISC. SUPPLIES	200.00	300.00
DELIVER TOWN REPORTS	150.00	175.00
CONVENTION EXPENSE & ASSOCIATION		
DUES	<u>500.00</u>	<u>650.00</u>
	<b>\$33,100.00</b>	<b>\$46,875.00</b>

Only \$30,000 was appropriated for the budget for 1989 which necessitated the elimination of some items.

**WILTON RECYCLING CENTER**  
**Article for Town Report, 1989**

The Recycling Center underwent several changes this year in the midst of our ever-busy operation.

Pat Johannesen took over as manager upon the resignation of Rebecca Secrest. Rebecca and her predecessor, Patty Moore, have started their own recycling consulting firm. We wish them the best of luck!

An addition was built onto the office to provide a little "breathing room".

A wood chipper was brought from the town barn in order to chip our brush, rather than burning it. We hope to start composting chipped brush in the spring, thus improving our composting operation and hopefully producing a more saleable product.

The Recycling Center experienced a drop in income this year from last at a total of \$34, 019.24. The reason for this drop is due to a major drop in prices for recycleables.

Aluminum cans are only bringing in \$.37/lb. as compared to \$.58/lb. just six months ago, and we are now paying to ship our paper instead of seeing any income from it.

The good side of this coin is that so many people are recycling now that the market is being flooded, hence the drop in prices. Although this might not seem to be good news financially speaking, it shows that more and more people are taking the solid waste problem seriously.

In addition, the market will have to adapt to this flood by producing more businesses able to handle recycled materials. At this time we can hope to see prices for recycleable materials improve.

This will all take some time to come around, so be patient and know that all your efforts are helping to change this very major problem of cleaning up our environment.

The staff at the Recycling Center wants to thank you once again for **your** continued support and enthusiasm. Our program could not work without you!

Respectfully submitted,  
*Pat Johannesen*

**ROAD AGENTS REPORT  
Winter**

The winter of 1989 was quite unusual. Although we didn't have many major snow storms, we did have a large amount of small nuisance storms. The roads still needed to be treated with salt and sand during these storms just as they would if it were a larger storm. We ended up going through large amounts of both salt and sand because of this. Our driveway plowing expenses were down due to the small amounts of snow. This has left \$15,000.00 in the winter budget which will go into the General Fund to be used towards keeping taxes down in 1990.

**Summer**

The spring of 1989 was fairly mild. Some of the worst mud holes are being repaired slowly but surely so that they don't come back. All dirt roads were ditched and graded as usual.

Boutwell Hill was widened, graveled, paved, and sealed to prevent it from washing out. Hadly Highway was ditched and shimmed. Several large rocks were removed from the road, then drainage was put in and the road was sealed. We will be doing these things to West Road during the summer of 1990.

Of the \$10,000.00 appropriated from Article #13, \$9850.00 was spent on a used tractor with a new mowing machine attached. This tractor is much larger and newer than the old one which we traded in when we made the purchase.

Of the \$1,000.00 appropriated from Article #14, \$925.00 was spent to purchase and put up several street signs. So far, they are all still standing and if this continues to be the case, perhaps we will put up more this year.

On January 16, 1990 I went to the State Legislature along with Road Agents from several other towns, to lobby for a bill which would raise gasoline and diesel fuel tax. If passed, this bill could give the town several thousand dollars more in the yearly Block Grant to spend on the upgrading of roads. As it stands now, approximately \$38,000.00 of our summer budget comes from this Block Grant. We will know in time if this bill is passed.

*Timothy P. Fiske, Road Agent*

On Feb. 9 the library building committee sponsored an informational and goal-setting meeting. Those attending were able to view our crowded quarters and to discuss library needs.

National Library Week was observed here with an Open House on April 14th. Prizes were awarded to the winners of the school contests and refreshments served. All of the entries were on display here for several weeks.

The Strawberry Festival was again successful and brought in the sum of \$204.

The Summer Fun Reading Program began on June 13 and ended August 15 with a party and presentation of gift certificates for the Toadstool Bookshop to the winners. 28 children signed up for this program and 18 completed the requirements with 7 of these reading 25 or more books.

A summer reading time was begun with Amy Willard. This fall story time continued with Robyn Banks and Robin Downes.

The Nubanusit Co-op met at our library on August 10. This is an organization of 23 area libraries.

On Heritage Day the library sponsored a book sale and also sold pieces of pie. The profits were added to the Library Building Fund. The library also offered for sale a glass Christmas ornament designed by Dr. James Haddix and executed by glassblower Chris Salmon. The library hopes to make this an annual event and will sponsor a contest for the design of the 1990 ornament.

The library purchased 114 adult books, 82 juvenile and 3 video tapes this year. We also received 157 gift books with an approximate value of \$850.00. Gifts of time, money, books, magazines and tapes are much appreciated. Thanks go to the following for all gifts: *Anne Spaulding, Mason Klinck, Rev. & Mrs. Tedd Gregg, Silas Little and family, Conval Network, Joanne Keuper, Dot Turini, Warren Quinn, Albert Quinn, Asako Severn, Julie McAdoo, Marie Bangs, Jane Daniels, Joan Holt, Audrey MacDonald,*

Anne Lunt, Fred & Peg Zoll, Jean Thibideau, Martha MacDonald, John Dion, Nancy Britz, the Karl family, Nathan Weston, Margaret Waterman, Evelyn Hume, Gertrude Odell, Helen Stone, Nancy Weston, Martha Scott, Kate & Hannah Sullivan, Barbara Clinkenbeard, the Groff family, Cobblestone Co., Denise Long, Perry Maynard, Leonard & Nancy Woods, Amy Willard, Heidi Richardson, Robyn Banks, Robin Downes, Debbie Gallant, Elizabeth Sullivan and Peggy Langa.

We were sorry to receive Margaret Waterman's resignation as library assistant in October. We were most fortunate to have Peggy Langa join us as a volunteer on Tuesday afternoons.

The pre-school story time is currently being held on Tuesday mornings and the school children come to use the library on Tuesday afternoons.

The library building committee has been meeting regularly to plan for an addition to our building. We wish to thank all who have donated to our building fund. The plans will be offered for a vote at town meeting. We hope for your support in our 100th year.

We will gladly deliver books to those who cannot visit the library. Large print books are also available.

Library Hours: Monday 1:30-5:00, Tuesday 10-12 & 1-5:00, Wednesday 1:30-5:00 & 7-9, Friday 1:30-5:00, Saturday 2-5. The book drop is available at all times for the return of books. Our phone number is 878-3100..

Respectfully submitted,  
Priscilla A. Weston, Librarian

### Report of the Library Building Committee

The original Mansfield Public Library building is 100 years old in 1990. The Memorial Hall addition was built on in 1950. For a century this library has housed the public collection of books for Temple, and has offered library services to the adults and children of the town.

The library building is a familiar and important part of the traditional village center. The Memorial Hall, dedicated to three Temple men killed in World War II, should remain a memorial and return to its intended purpose (ursurped by inevitable growth of the Library collection) as a place of reading, study and quiet in the Library.

## **Need**

In order to remain in the state library system, our library needs to be handicapped accessible, to have a toilet and running water. A computer is needed to tie into the state library computer system.

The library is very crowded. Books must be discarded in the same number they are acquired each year. More room for books, reference works, magazines and periodicals, video resources, etc., is a pressing need. There is little room for children's programming, though the library serves the Temple Elementary School — and other school aged youth — as an important source of books and information. It is not practical for patrons to use library facilities for reading, study, or research. A space for preservation of valuable archives is needed. A general-purpose space for audio-video equipment, displays, cultural and educational programs, and library business is needed. The librarian needs a contained, controlled office/work area.

The New England Glass Works collection — one of the most important collections of an 18th century industrial site — needs a place for display and study.

## **SITE**

The present site is central and accessible. A usable septic system exists at the Town Hall and town water is available at the site.

The site is buildable. It provides opportunity for expansion of the facility in future generations. Parking space is available.

This site is accessible to the Temple Elementary School and the present day-care/kindergarten.

A separate building — new construction — was considered. It was found that the costs would be similar to the proposed addition at the present site and would have disadvantages (septic, water, parking, central location, among others) including extensive site work which the present location will not require.

## **FINANCING CONSTRUCTION**

It is possible to bond this project over forty years time through the Farmer's Home Administration at 6% interest (or a comparatively low rate, depending on the bond market).

Money for construction is available through the State Library.

We are seeking extra funding through grants, foundations, and individual contributions. There seems to be broad public support for this project.

The current state of the building industry makes this a particularly good year to seek very favorable competitive bids on the project.
